

2023

OUR COMMITMENT TO FUN ON THE WATER

Each and every time we get on the water, I'm reminded of just how honored I am to be a part of the Nautique tradition. The collective group of owners, employees and enthusiasts that drive our brand forward are the most passionate in the business. Our team's sole purpose is to create products that people have fun on the water with, and I can't imagine a career that doesn't bring more satisfaction than that. As of late, I'm also reminded that more families than ever before are dedicated to sharing a piece of their lives with us. Whether their time on a Nautique is a place to connect with significant others, share memorable times with children, or just to get a group of like-minded friends together for a day on the lake, we're all living the dream.

Keeping our finger on the pulse of that passion is the catalyst for us to continue leading the industry. We're driven to create products that exceed what our customers' desire; delivering an ownership experience that is better than ever. We take that commitment very seriously, and the past year has been a testament to that ethos.

I'm as excited as ever for the Nautique line-up in 2023. From the introduction of the all-new GS-Series, the debut of the brand-new S25 to advancing the performance of all of our award-winning models, we have an incredible offering for every watersports enthusiast. As you begin to hone in on what Nautique model fits your needs, take comfort in knowing that whichever Nautique you choose will provide your friends and family with endless fun and lifelong memories.

Greg Meloon - President
Nautique Boat Company

*"Trust in the Lord and do good;
Dwell in the land and cultivate faithfulness..."*
-Psalm 37:3

A man in a blue t-shirt and white shorts is seated in the foreground, looking towards the camera. He is wearing a black baseball cap with a red logo and sunglasses. He has a black watch on his left wrist. To his right, another man in a black t-shirt and blue patterned shorts is also looking towards the camera. In the background, a woman in a blue and white striped tank top and a straw hat is seated, and a young man in a white t-shirt is standing behind her. On the far left, a woman in a blue floral dress and a matching cap is seated. The boat's interior includes a control panel with various buttons and a large sunroof above them.

OWNERSHIP THAT COMES WITH PEACE OF MIND

5-YEAR, 1k-HOUR WARRANTY

There's a higher level of comfort when you purchase a new Nautique thanks to our 5-Year Transferable Warranty*. Over the course of our 98-year history we have built a reputation of creating trust and loyalty with our customers by always having their back. We want you to have the best ownership experience possible, that's why we go to great lengths to make certain you are enjoying your Nautique exactly the way it was designed. See Owner's Manual for additional details.

*Nautique warrants to the original owner or user, that each new 2023 Nautique boat, as originally manufactured by Nautique, shall under normal authorized use be free of defect in material and workmanship for a period of five (5) years or 1,000 hours from the date of delivery (whichever comes first). This warranty applies to factory-installed components including boat parts, options or other components not manufactured by Nautique Boat Company and is transferable one-time only to the second owner.

OWNERSHIP THAT COMES WITH HONORS

AN AWARD-WINNING TRADITION

Every year, Nautique is celebrated across the marine industry with accolades that continue to keep our customers happy. From being honored with awards in customer satisfaction and product innovation, we're leading the way in all aspects of our industry. Come be a part of our award-winning tradition and experience the feeling of ownership with honors.

NAUTIQUE 13

FLIGHT CONTROL TOWERS®

PROVIDING THE PERFECT TOW POINT

Whatever Super Air Nautique model you choose, you have options when it comes to choosing what tower suits you. Each model in our G-Series, S-Series and GS-Series comes standard with our Flight Control Tower® that provides the perfect tow point for wakeboarding or wakesurfing and manually folds down. There's also an Actuated Flight Control Tower version for these models, which folds up or down at the touch of a button. We are also proud to offer the Telescoping Flight Control Tower that is standard on our Paragons and optional on the G-Series and S-Series. This tower allows you to easily telescope the tower up or down with the bimini remaining in place, and everyone sitting comfortably in their seats.

YOUR PERSONAL ENDLESS WAVE

NAUTIQUE SURF SYSTEM®

With the Nautique Surf System (NSS), all inland waterways turn into a surfer's paradise. Finding your love of surfing isn't just along the coast anymore, and the feeling of throwing the rope back to the boat and standing in the pocket for the first time is one that will stay with you forever. The freedom of carving endless waves with your friends has a lasting impression on everyone that gets behind the boat. Thanks to the technology that can be found aboard all Super Air Nautiques, the Nautique Surf System shapes long, perfectly formed waves to enjoy all summer long.

NAUTIQUE 17

THOUGHTFUL CONSIDERATION AT EVERY TURN

FOCUSED ON THE DETAILS

Step into our facility in Orlando, Florida and you'll see that every piece and part of our world-class boats are built or installed by hand. Our team takes pride in the products they produce, that's why each Nautique is built with the utmost care and consideration. From our lamination and gel coat technicians, to our builders and master sewers, each Nautique gets the attention to detail that only skilled professionals can provide. That thoughtful approach to manufacturing is what delivers the highest-level of quality out of every Nautique that leaves our factory floor.

A CELEBRATED LEGACY

With a rich history within the watersports world, the Super Air Nautique badge is the mark of superiority. From our world-class wakes and surf waves to a higher level of luxury and quality, there is no comparing a Super Air Nautique to anything else on the market. Whatever type of watersports activity your family enjoys, there's something to offer everyone with a wide-range of 2023 Super Air Nautique models.

LUXURY WITH PURPOSE

G25 PARAGON

SUPER AIR NAUTIQUE

Coming in at 25-feet of pure luxury and performance, the 2023 G25 Paragon is the highest-level wake sports boat imaginable. A model that leaves nothing to be desired, the experience of riding in and behind a G25 Paragon is like nothing else on the water. Delivering wakes and waves that are configurable for everyone, and top-of-the-line amenities and luxury features, this model reaches new levels of what's possible in a wake sports boat. From the state-of-the-art helm and extensive list of standard features, the G25 Paragon is the pinnacle of perfection.

MULTI-SPORT PERFECTION

GS22

SUPER AIR NAUTIQUE

Experience multi-sport perfection with the all-new Super Air Nautique GS22. After receiving a complete redesign, this reimagined 22-foot model now delivers superior wakesurf, wakeboard and waterski performance than ever before. Combining high-performance hull characteristics inspired from our world record-setting Ski Nautique and our award-winning G-Series, the GS22 strikes the perfect balance of waterski and wake sports performance. For the family that likes to do it all, the GS22 is slated to continue its reign as the most versatile boat in its class.

THE BEST SOUND ON THE WATER **JL AUDIO.**[®]

EXPERIENCE THE ULTIMATE IN AUDIO

We've teamed up with JL Audio to provide the best possible sound experience on all Nautique models. Every Nautique has the JL Audio MM100s head unit that delivers crisp and clear sound to the JL Audio speakers onboard, all of which are powered by JL Audio amplifiers. Each element of our comprehensive JL Audio stereo system is designed to perform seamlessly with one another to produce the best experience possible. With great standard packages, there are also upgraded options, depending on the boat model, that can include JL Audio subwoofers, tower speakers, additional zone control and our exclusive JL WaveFront™ and WakeSub™ technology.

THE HEART OF YOUR NAUTIQUE

WORLD-CLASS PERFORMANCE

When it comes time to choose your Nautique, you can feel comfortable knowing you have the best possible engine options available to you. We offer powerful, reliable performance with our gas engine offerings from our sister company, Pleasurecraft® Marine Engines (PCM) that provide you with outstanding performance day in and day out. If you're interested in our diesel offering on select Nautique models, we're also proud to have the powerful Yanmar Marine 8LV available as well!

/ GAS PROPULSION

PCM ZZ8 – Built on the most powerful General Motors base engine ever offered for production, PCM harnesses this raw power with all the features that PCM is famous for. The ZZ8 offers the latest in direct-injection and supercharged technology providing efficiency and power not found from others. Incorporating 100% closed cooling and the next-generation, patented CXS catalyst system, the ZZ8 is the most advanced gasoline engine in the marine industry.

HP: 600 / Displacement: 376 c.i.d. (6.2L) / Torque: 608 Ft-Lb

PCM ZZ6 – Incorporating the latest in General Motors direct-injection technology, along with the latest in PCM design, the ZZ6 has the performance and fuel efficiency that watersports enthusiasts desire.

HP: 450 / Displacement: 376 c.i.d. (6.2L) / Torque: 465 Ft-Lb

PCM ZZ5 – Incorporating the latest in General Motors direct-injection technology, along with the latest in PCM design, the ZZ5 has the power and fuel efficiency for a great day on the water.

HP: 355 / Displacement: 325 c.i.d. (5.3L) / Torque: 405 Ft-Lb

PCM ZR7 – The ZR7 is 7.4 liters of pure, naturally-aspirated performance. Built from the same family as the ZR4, the ZR7 brings the reliability and durability to a whole new level of performance.

HP: 475 / Displacement: 452 c.i.d. (7.4L) / Torque: 500 Ft-Lb

PCM ZR4 – The PCM ZR4 is a proven engine with over a decade of outstanding performance. Upgraded with the Gen 2 CXS exhaust system as well as 100% closed cooling, the ZR4 is stronger than ever.

HP: 400 / Displacement: 364 c.i.d. (6.0L) / Torque: 400 Ft-Lb

YANMAR / DIESEL PROPULSION

8LV – We're proud to offer a Yanmar diesel option for the G23 and G25 models. With high-torque output and an incredible power-to-weight ratio, this efficient turbocharged diesel engine provides a more fuel-efficient option for those looking to keep RPM's low when fully loaded.

HP: 370 / Displacement: 272 c.i.d. (4.5L) / Torque: 595 Ft-Lb

MADE FOR SALTWATER ADVENTURES

NAUTIQUE COASTAL EDITION

If your time on the water is spent by the coast, then the Nautique Coastal Edition is made for you. A special package available on any Super Air Nautique model, the Coastal Edition includes corrosion-resistant features throughout the boat that protect vital parts from the abuse of saltwater use. Whether or not you utilize your Nautique in a tropical paradise, an intra-coastal or marsh waterway, the Coastal Edition keeps your Nautique as happy as you are riding in it.
